Dear Sir:

From Hobbies I see where you would like things pertaining to — Lincoln —

I have a wine cabiet. Its a curious little piece — Has a brass name plate with Lincoln on the top. The wood looks to be ebony — The inside has a Compartment for 4 Wine bottles. But the bottles are missing. I was told where I bought it. It did belong to Lincoln.

Brass name plate on

I will try to draw you a sketch to give you some idea of what it is like. Price of piece if you can use it would be — $20.00

Hoping to hear from you soon.

Yours sincerely

My dear Madam:

It was very kind of you indeed to offer the wine cabinet said to have been used by Abraham Lincoln but we do not have any room here for displaying furniture so have done very little in the way of acquiring items of that type. Thank you nevertheless for calling it to our attention.

Very truly yours,
